Electronics INC.

GRAIN VALLEY, MISSOURI 64029

Telephone: Area code 816, 249-3112

we have had skeletons
in our closet!!!

BUT, we did something
about them. Ask any of
the over 50 railroad signal
and communications depart-
ments that use **HARMON**
equipment.

Our customers are important to
us. If they need help, we're there!
And without any bill to worry tight
budgets.
